Self-Assessment

Name: _____ Date: _____

Purpose: This checklist is designed to help you identify professional strengths and limitations in EE based on the information contained in your resume or vita, and it will help certification session leaders adapt programming to student needs.

Directions: **Step 1, Evidence:** For each numbered Set of Competencies, circle Y (yes) if your resume/vita contains evidence of your professional background, and N (no) if it does not. These competencies can be found on the EECO website at www.eeco-online.org/eecertification . Further, if you circle Y (yes), identify where that evidence is contained in your resume/vita. **Step 2, Ratings Column:** For each Set of Competencies for which Y was circled, circle the number that represents your best assessment of the extent of your background (1 = limited; 2 = moderate; 3 = strong). **Step 3, Summary:** Use Step 1 and 2 results to summarize any gaps in your professional background. Include your resume in your submission.
